

Kansas Society of Radiologic Technologists

February 7, 2025

As a current board member for the Kansas Society of Radiologic Technologists I would like to invite you to be a part of our 2025 annual convention. In the spring, our 88th annual convention will be held in Manhattan, KS, on April 3-5. The convention will take place at the Garden Hilton, 410 S. 3rd Street, Manhattan, KS 66502. Room blocks will be open soon.

The KSRT is inviting hospitals and radiology related companies from Kansas and surrounding areas to be vendors and sponsors for this year's convention. On **April 3-5, 2025** attendees will have the opportunity to listen to speakers throughout the day. This is a great opportunity to reach a number of Radiology professionals and Radiology students. Friday typically has a large number of students in attendance due to the Student Ray Bowl competition.

I truly hope your organization will choose to participate in this annual event. Attached is a sponsorship form that lists opportunities to help support the event. If interested, please return the completed form and payment to the address listed below, paypal options are also available. Please feel free to contact me at 620-629-6285 or by email at kdenton@swmedcenter.com should questions arise.

Thank you for your consideration. **If this has not been sent to the appropriate person, please email me the correct information.** We look forward to hearing from you.

Kind regards,

Kelly
